CANOScan® FB 630U

USB Flatbed Scanner

SLEEK STYLING. BRILLIANT SCANNING PERFORMANCE.

HIGH-QUALITY SCANNING. LOW-PROFILE DESIGN.

With the ultra-slim CanoScan FB 630U USB Flatbed Scanner on your desktop, you're ready to hit the new century with incredible style and exceptional performance. At just 1.5 inches tall, the FB 630U scanner is the perfect partner to your Mac or PC at work or at home—where space is often at a premium. Just plug it into the USB port of any compatible computer, load up the software and it's ready to deliver spectacular 600 x 1200 dpi/ 36-bit color results.

Versatility at the push of a button.

The FB 630U scanner makes document and image scanning simple with numerous easy-to-use features and capabilities built right in. A convenient, programmable button, for example, lets you copy, fax or even e-mail scanned documents automatically. Canon's LIDE™ technology delivers sharp, crisp scans. So you can add photos and graphics to reports and proposals. Prepare visuals for your Web site

or e-mail them to colleagues, family or friends. Eliminate retyping by scanning articles or text. Create a digital filing cabinet. And have fun with photo manipulation and retouching. Everything you need for brilliant scanning is at your fingertips.

Powerful software tools included.

The FB 630U scanner comes complete with everything you need. Edit images like a pro with Canon Photo. Turn scanned documents into editable text for your word-processing applications with TextBridge® Pro. And use ScanGear™ and ScanGear Toolbox for Windows® or Canon Plug-in Module CS-U and CanoScan Toolbox CS for Mac to view, scan and enhance your images quickly and easily. Or program the scan button to automatically send scanned images to your printer or fax modem.
